## Artwork Internships

We have exciting opportunities for 2-3 month internships in our Artwork Department. Working in our lively and fast paced team you will assist the artworkers with processing jobs and creating paper mock-ups with the aim for you to progress to work on live artwork files.

In return we'll provide you with an understanding of working in a fast paced creative design agency and will train you in the art of creating precise and beautiful mock-ups.

Our normal working day is 9.00 to 5.30pm but we are flexible to work around this to accommodate your studies.

If you are creative, motivated and meticulous about detail we'd love to hear from you. Please get in touch by emailing a covering letter stating your availability together with your cv to [careers@tjarksandtjarks.com](mailto:careers@tjarksandtjarks.com).

We are keen to have internships on a rolling basis throughout the year so please do get in contact even if you are not available to join us straight away!

Please understand that due to volume of response only suitable candidates will be contacted.
